World Day of Prayer is a huge wave of prayer that circles the earth. Beginning at dawn in Western Samoa and Tonga in the Pacific Ocean and ending at dusk in American Samoa. Isn't it amazing to be part of something so huge!

Each year the service is written by the Christian women of a different country. This year, it is the turn of an ecumenical group of Christian women from Palestine, the land in which Jesus was born, ministered, and died, where the Christian faith began and is rooted.

We thank the Christian women of Palestine for this service and pray that their stories will encourage and inspire women throughout the world.
